

# BRUNELLO DI MONTALCINO

## 2021

Tuscany, Italy

### ABOUT TENUTA LUCE

Today, Luce goes so much further than was originally envisioned when started as a project over 20 years ago. The estate now has some of the most exceptional vineyards in Montalcino and, as of 2018, a state of the art winery to nurture every step of the winemaking process. The original vision, however, remains the same: to produce a bold and ambitious Super Tuscan that reflects the culture of Montalcino.

*"Sweet berry, orange peel, nutmeg and cinnamon aromas. It's medium-bodied with fine, precise tannins and a very long finish that caresses every inch of your palate. Extremely long and structured but refined and sophisticated."*
